

Memorandum and Articles of Association – confirmation of model articles

The department's model articles have been designed to follow best practice in corporate, charitable and school governance. Trusts are therefore expected to adopt our model articles to establish their academy trust.

Trust Articles of Association (using the model document in word, with track changes) should be submitted, with this completed form, to your Lead Contact. Your Lead Contact will need to be satisfied that they are in line with our model before recommending that ministers enter into a funding agreement to open your free school.
