Welcome

Welcome to Newbury College, your first choice for technical, career-focussed training.

As you look to start the next stage of your education, we are here to support you. We understand the transition from school can be daunting and our highly trained staff will guide you through the application and enrolment process, to get you on the right track to the career you want.

#careersnotcourses

Why Newbury College?

PROGRESSION-FOCUSED

- Subjects based on your chosen career
- Career-focused objectives

SKILLS-BASED

- Fewer exams
- Different assessment methods
- Practical subjects

EMPLOYER-LED

- Industry placements with excellent employers
- Curriculum influenced by businesses

College Progression vs Sixth Form

- ✓ Faster route to your chosen career
- ✓ More options available
- ✓ Lower cost and debt-free Higher Education*

Your study programme

Full-time study programmes are assessed in a variety of ways, rather than just through the traditional essay and exam methods, this can be beneficial to students who prefer to be assessed differently and demonstrate their skills in other ways.

VOCATIONAL QUALIFICATIONS

Career-focused qualifications that meet needs of employers and job sectors like **BTECs**, **NVQs** and **T Levels**.

Your **Academic Tutorial** will help you to set targets and monitor your progress.

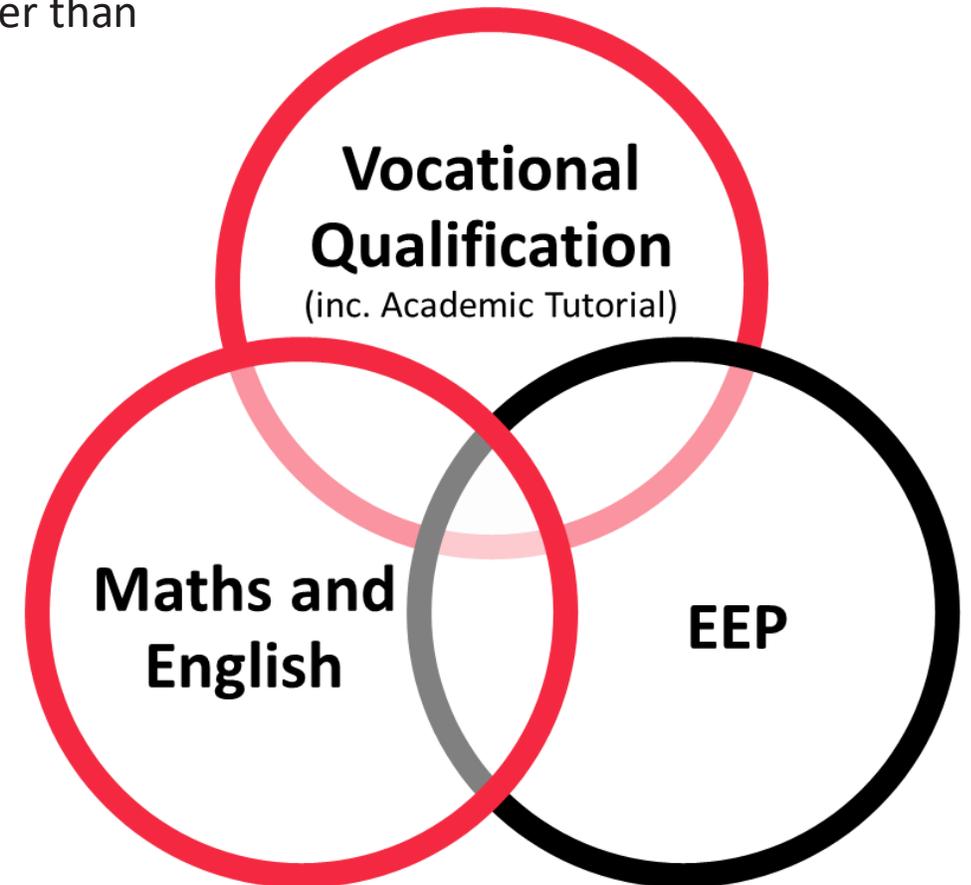

MATHS AND ENGLISH

You may need to resit your English and/or maths qualifications. We will support you in achieving your target grade.

EEP

EEP stands for **Employment**, **Enrichment** and **Pastoral**.

It provides you with a wide range of opportunities to enrich your learning and professional development beyond your main subject of interest. These could include sports, clubs and activities, trips and visits, work placement and work-related activity, tutorial sessions and guest speakers.

Placements and Partnerships

EMPLOYABILITY

A special WRA programme built into your course to learn the skills for the workplace including:

- CV and interview preparation
- vacancy and application writing
- trips and employer visits
- employer supported projects and activities
- apprenticeship and progression opportunities

WORK PLACEMENTS

From 2 to 9 weeks in length, these often lead to jobs and part-time work alongside your course.

Hairdressing Level 1

Your course will include units on..

- Introduction to the hair and beauty sector
- Presenting a professional image in a salon
- Follow health and safety in the salon
- Create a hair and beauty image
- Shampoo and conditioning
- Styling women's hair
- Plaiting and twisting hair

In the Summer Term if you have advanced sufficiently within your course you will have the opportunity to take part in a 'Cutting Programme' which will teach you the basics of hair cutting in order to prepare you for progressing onto the Level 2 qualification.

Uniform and equipment

Uniform is Mandatory – you must purchase a tunic and trousers. An order form will be provided for you.

Kits are Mandatory – kits are highly recommended to purchase for the course to help you build on your skills at home.

Textbook – Textbooks are not mandatory but are highly recommended to help with assignments and homework.

Visits and trips

The course will include various optional trips and visits throughout the year to gain a fantastic insight into the industry. These may include an additional charge.

Additional courses of interest are also sourced for your group to attend in college, these may include external trainers.

We also run visits to Hair and Beauty exhibitions and trade shows.

Assessment

This course is assessed by:

- Practical assessments
- Written assignments
- Online multiple choice exams
- Performing hairdressing services on clientele

Progression

How we can help

Tutors and support staff work closely together and with other local partners to provide you with:

- Learning support
- Progression coaching
- Health and wellbeing advice
- Financial support including free travel, meals and help with child care costs
- Careers advice
- Help with university applications

Funding your programme

Education & Skills
Funding Agency

The Education & Skills Funding Agency (ESFA)

The Education & Skills Funding Agency funds adult Further Education (FE) and skills training in England. It forms part of a network of organisations in England who commission, manage and promote training for adults and young people. The ESFA funds non-levy Apprenticeships (16yrs +), work placed and classroom based learning programmes throughout England for learners aged 19 and above. If you are enrolled onto an ESFA funded programme this is match funded by the European Social Fund (ESF). The ESFA also funds programmes for individuals aged 14-19 which includes the Study Programme (16-19) and Traineeships (16-18).

European Union
European
Social Fund

European Social Fund (ESF)

You may be enrolled onto a specific ESF project which will be funded by the European Union or if you are engaged onto any of our ESFA programmes, including non levy Apprenticeships, then this will be matched funded by ESF.
