FIND OUT HOW NEWBURY COLLEGE IS CHANGING EDUCATION

**WE ARE CHANGING THE WAY WE LOOK AT EDUCATION
IT'S ABOUT CAREERS, NOT COURSES!**

Our work-based curriculum is led by employers and designed to give students the best opportunities to gain the qualifications and skills they need for the career they want. We are preparing students for the workplace of tomorrow, creating a fully-immersive learning environment that blends hands-on, technical learning with underpinning knowledge. Find out more at...

Newbury College

Est. 1948

WELCOME

Iain Wolloff, Principal, Newbury College

Newbury College has been the first choice for technical and professional courses in West Berkshire, for over 70 years. We continue to offer a wide range of courses, across a wide range of subjects.

With different ways to study, from short ‘bitesize’ and one-day courses, to longer professional programmes and flexible distance learning packages; which allow you to study from home or in the workplace.

Whether you are looking for CPD opportunities, professional qualifications to advance your career, the skills to start a different career or an engaging way to explore a subject that interests you; our highly skilled staff are on hand to support you at every step.

Our open and welcoming campus incorporates state-of-the-art facilities such as an engineering solutions lab, construction centre, art studios and professional kitchen to facilitate the practical application of your skills.

To find out more about the courses on offer, please visit www.newbury-college.ac.uk, contact our Information Services Team on 01635 845000 or come along to one of our Open Events.

HERE TO HELP

Newbury College offers a wide range of services and facilities to support students before, during and after their course.

INFORMATION SERVICES

The Information Services team at Newbury College can help with pre-enrolment questions about courses, assist with applications and enrolment, provide information about financial support, concessions, transport and more. Contact: info@newbury-college.ac.uk

LEARNING SUPPORT

We provide help for students who need additional support with literacy and numeracy, or require support for learning difficulties such as dyslexia. Contact: careers@newbury-college.ac.uk

INFORMATION, ADVICE AND GUIDANCE

Newbury College is proud to offer an independent careers advice service to support progression. The team can help with CVs, interviews and cover letters. Contact: careers@newbury-college.ac.uk

FOOD AND DRINK

Starbucks coffee shop serves teas, coffees and other hot drinks, cakes, cookies and biscuits.

ACCESSIBILITY

We recognise that all students have different learning needs and that a wide range of guidance and support is essential to help everyone reach their full potential. We try to respond flexibly to your individual needs.

LEARNING RESOURCE CENTRE (LRC)

The LRC is fully-equipped to enable students to access online resources and the College Virtual Learning Environment, Moodle. It also has areas for Higher Education students who wish to study individually or in small groups.

PRINT ROOM

The majority of students are allocated credit for Print Room services. There is instant access to black and white or colour printing/scanning/copying in the LRC.

In addition, the Print Room can provide binding and laminating services, along with the loan of laptops and cameras.

SPECIAL EVENTS COMING SOON

ENGINEERING EXHIBITION

View engineering projects designed by HNC and HND students and see how a new generation of engineers are already making a positive impact on businesses in the community.

DIFFERENT WAYS TO STUDY

PROFESSIONAL COURSES

Professional courses contribute towards your CPD and lead to an accredited qualification to help you develop your career. They range from Level 1, through to degree-level programmes.

HIGHER EDUCATION

Newbury College offers higher education (HE) qualifications that are equivalent to one or two years of study at university.

Course fees are lower in comparison to most universities and students also save on accommodation costs and benefit from the ability to work part-time whilst studying. HE students at Newbury College also have full access to the welfare and support services available, including enrichment activities, counselling and information advice and guidance.

As a College, we offer a selection of Level 4 Higher National Certificates (HNCs), Level 5 Higher National Diplomas (HNDs) and we work in partnership with Buckinghamshire New University and the University of Reading to provide a Foundation degree and Level 6 Degree courses.

ONLINE AND DISTANCE LEARNING COURSES

These flexible courses are available throughout the year and allow you to work at a time and pace to suit your needs. Students are supported with a personal tutor on a one-to-one basis.

BUSINESS TRAINING

Newbury College is skilled in developing training packages to suit the individual needs of your business. We offer a range of Management Workshops, Legal Compliance courses and bespoke programmes.

PERSONAL DEVELOPMENT AND LEISURE COURSES

Short courses at the College range from arts and crafts to social media and salsa. We have a huge choice of interesting subjects to help you develop a new hobby, enhance your career or progress your small business.

FREE MATHS AND ENGLISH

Free maths and English courses are for anyone who wants to improve their numeracy or literacy skills, whether you are learning English as a second language or improving on your grades from school.

COSTS AND CONCESSIONS

The costs listed are for guidance purposes only and should be checked before enrolment.

Unless otherwise stated, costs shown are for tuition only, over one term (Community Learning courses) or one academic year. Where a course is longer than one academic year, the costs stated are for the first year, and the cost of the second or subsequent years will be discussed at interview.

Concessions are only available on the cost of tuition and do not apply to any additional registration, examination and/or materials fees.

The following symbols indicate where concessions and/or additional fees may be applicable:

-  West Berkshire concessions
-  Refer to funding information
-  Exam/Registration fees apply
-  Loans available
-  Materials fee included

For more information on fees and funding, please see pages 64 to 69.

Please note that the costs stated are for applicants aged 19 or over on 31/08/2019. Costs for applicants under the age of 19 may vary and are subject to different funding rules.

HOW TO APPLY FOR A COURSE

We are confident that you will find a course that interests you at Newbury College. Take a look at the courses listed in this guide, then search our website to find out more information and apply online.

ONLINE

APPLY NOW 

The easiest way to apply. Find the course online and click the 'apply now' button.

BY POST / IN-PERSON

Complete an application form and return it to:
Newbury College, Monks Lane,
Campus, Newbury, RG14 7TD or by
email to: info@newbury-college.ac.uk

Alternatively, bring it to the Information Services desk in person at the Monks Lane Campus.

DISCLAIMER AND DATA PROTECTION

Newbury College endeavours to provide a wide range of courses and learning programmes that meet the requirements of the local community. Some of the courses in this guide may still be awaiting approval from the awarding body and the majority of courses are subject to minimum enrolment numbers. For details please visit: www.newbury-college.ac.uk/terms

Data protection: Newbury College stores and processes all student data in accordance with the provisions of the General Data Protection Regulation (GDPR).

ART, DESIGN AND FASHION

FEATURED COURSES

ARM KNITTING

Discover the fantastic craft of arm knitting! Make your very own luxurious throw using nothing more than some yarn and your arms.

EXPRESSIONIST PAINTING

Engage demonstratively and experientially in the creation of expressionist art works and learn expressionist techniques with paint and mixed media.

ALL COURSES

LEISURE

MACRAMÉ

Discover the trendy and versatile craft of Macramé. Fun and easy to learn, this craft can be used to create wall hangings, handbags, bunting, lampshades, hanging pots, dreamcatchers and so much more.

LEISURE

CROCHET

Learn the wonderful craft of crochet. Suitable for those who have never picked up a hook before or those who are finding it hard to learn at home.

“Short courses at Newbury College have helped me build confidence and attract new business very quickly. There were a lot of other local business people on the courses, all sharing ideas, and the tutor was skilful at being able to assist us all individually and transfer the skills to our business needs.”

NEWBURY COLLEGE

EXPAND YOUR CPD SKILLS AND KNOWLEDGE ONLINE

Newbury College and The Skills Network are currently working together to offer students access to a range of qualifications online.

This opportunity provides access to interactive and engaging learning content from The Skills Network, a company that has partnered with a number of leading awarding organisations, including NCFE, CACHE and TQUK, to develop outstanding learning resources that meet a diverse range of learning needs.

Students can submit their answers online or via the answer booklets they provide.

You will also have the support of a subject specialist tutor and a learner support adviser

who will assist you with your learning and assessment questions.

Subjects include:

- Alcohol Awareness
- Business Essentials
- CACHE Essentials
- Conflict Management
- COSHH Risk Assessment
- Customer Service
- Dementia Awareness
- Discipline in the Workplace
- DSE Risk Assessment
- Eating Disorders
- Employability Essentials
- Equality and Diversity
- Exercise and Fitness
- Fire Safety Principles
- First Aid
- Food Safety Awareness
- Health and Safety
- Healthy Eating
- Internet Safety

JOIN US ON THE JOURNEY TO OUTSTANDING

We are on a mission to be an outstanding education provider. As an Ofsted ‘good’ college and accredited with Silver Investors in People, we are already well on our way to being a great place to study and work.

To help take this ambition one step further, we need a talented mix of teaching and non-teaching staff to join our team. We offer full-time, part-time, term-time and flexible roles, a range of exciting benefits and a fantastic working environment.

To find out more please contact hr@newbury-college.ac.uk or visit www.newbury-college.ac.uk/vacancies.

“I am a people person and I love the buzz of the classroom. To share my knowledge and skills with others and support them in acquiring their own skills are the real attraction of teaching. The biggest highlight is the overall satisfaction of being able to motivate and inspire others to learn.”

Jeanette Cole
Community Learning Art Tutor

"I wanted to get more informed about IT and Newbury is my local college. The course was informative and covered a lot in the 8 weeks. I found every aspect very interesting and at times challenging, but the tutor was excellent, being patient and very knowledgeable."

Yvonne Arnott
Microsoft Office for Professionals

FIRE IT UP WITH APPRENTICESHIPS

Apprenticeships combine work and study, letting you 'earn while you learn'.

Individuals over the age of 16 and not in full-time education can apply for an apprenticeship. Apprenticeships are available from Level 2 through to Degree and Master's Degree Levels. There are no student fees – the government and your employer fund the training costs.

There are many different apprenticeships available across a wide range of industries, and for a wide variety of job roles. As a paid employee, you learn while on the job and complete at least 20% of your programme training off the job, which can be delivered in a range of flexible delivery options.

We regularly hold information sessions at Newbury College about apprenticeships. Visit our website for details.

If you are unable to attend in person but would like more information on apprenticeships, please contact us on 01635 845229.

EMPLOYERS

Employers can offer apprenticeships to new entrants or use them to grow talent from among current employees.

Employers are not required to pay National Insurance Contributions for apprentices under the age of 25 on earnings below the higher tax rate of £827 a week (£43,000 a year). There is also £1,000 payment to the employer training a 16 to 18-year-old.

If you're an employer with a pay bill over £3 million a year, you will be paying an apprenticeship levy from 6 April 2017. This money can be used to pay for your apprentice's training. Employers with a pay bill of less than £3 million a year will not need to pay the levy, and the government will pay 95% of the cost of your apprentice's training.

Newbury College can provide support in using levy funds to maximise your investment in skills training.

If you are considering recruiting an apprentice or offering the opportunity to an existing member of staff, we will work with you to identify the most appropriate apprenticeship and recruit the best candidate.

DRAMA, DANCE AND PERFORMING ARTS

FEATURED COURSES

BALLROOM AND LATIN AMERICAN DANCE

A wide range of classes from absolute beginners to experienced dancers. Identify the differences between Latin and Ballroom, music, stance, poise and becoming comfortable with the different movements of a variety of dances.

LOOKING FOR A UNIQUE VENUE FOR YOUR WEDDING OR SPECIAL OCCASION?

The Marquee at Newbury College is a large, tented, indoor space that can host 250 - 500 guests and offers more comfort than traditional marquees. Contact 01635 845000 for details.

ALL COURSES

WEDDING DANCE

Learn the moves for your romantic first dance together, or why not include your bridal party for a spectacular show piece and leave your guests captivated.

CREATIVE WRITING

Want to write, but are not sure where to start? Develop confidence and skills to write effectively in different genres.

“We decided to sign up for dance lessons to do something together and have a break from our daily life. We are enjoying ourselves and having a great time. We are learning from the best - it's totally worth it!”

Anna Ramalingam and Ramalingam Panneerselvam

Ballroom and Latin American Dance Beginners

ENGINEERING (MECHANICAL AND ELECTRONICS)

FEATURED COURSES

ENGINEERING DEGREE BEng (HONS)

Students with HNC/D in either Electrical & Electronics or Mechanical Engineering can qualify to a degree level, either on a part-time basis or as an apprentice.

This course supports the fundamental, scientific and mathematical principals of engineering.

There are different pathways available within this degree including; mechanical, electrical/electronic, manufacturing and product design.

The Engineering Degree is provided in partnership with Bucks New University and delivered at Newbury College.

**LOOKING FOR ELECTRICAL
INSTALLATION?**

“Newbury College have been able to offer a course that both meets my interests as well as being applicable to my full-time job. It has been a rewarding place of study that also provides several further progression routes onto degree level courses.”

Vikesh Patel

Engineering Higher National Diploma (Electrical & Electronics)

£1.75M AWARDED FOR THE DEVELOPMENT OF NEW UNIVERSITY CENTRE

Newbury College has been awarded £1.75m from the Local Growth Fund, towards the development of the University Centre Newbury (UCN). Additional funds for the £5.5m project will be drawn from the College and investment from supporting partners and will bring a state-of-the-art, digitally integrated, zero carbon, higher education facility to West Berkshire.

UCN is supported by foundation partnerships with local businesses including Vodafone, Roc Technologies,

Xtrac and Sovereign Housing and aims to address the needs of local employers and ensure training is relevant and specific, not only for new employees, but also to increase the opportunities to upskill existing staff and help businesses utilise their Apprenticeship Levy payments more effectively.

Newbury College has already formed strong relationships with local businesses in the engineering sector, including AWE and Xtrac, enhanced by the opening of the Engineering

Solutions Lab in 2017 and the subsequent strength of the Degree programmes in Engineering, which is already expanding to Postgraduate level from September 2019, in partnership with Buckinghamshire New University.

UCN provides a solution for the community that sees an expansion of the current HE provision enabling opportunities for young talent to remain in the area and study university-level qualifications alongside their chosen career.

ESSENTIAL SKILLS (MATHS AND ENGLISH)

FEATURED COURSES

ENGLISH

Improve your personal literacy skills in reading, writing, speaking and listening, in everyday contexts from work and life.

Courses range from our introductory brush-up classes to GCSE English for anyone who has not yet achieved grade 4/C.

MATHS

Improve your personal numeracy skills in everyday contexts from work and life. Developing these skills is essential for progression in further study or employment opportunities.

Courses range from our introductory brush-up classes to GCSE Maths for anyone who has not yet achieved grade 4/C.

ALL COURSES

FUNCTIONAL ENGLISH FOR NON-NATIVE SPEAKERS

A range of English courses for non-native speakers from those with little or no English, to those who require a greater vocabulary to take advantage of better employment opportunities.

WE WILL HELP YOU FIND THE RIGHT COURSE

There is a lot of information in this guide and it isn't always clear which course or level you need to apply for.

If you apply for any of our Maths or English courses, a member of our Essential Skills team will invite you to the college for an interview and to assess your skills.

This will help to place you in the right class so that you can succeed.

VOLUNTEERING OPPORTUNITIES

English and Mathematics volunteers are an important part of a student's journey to success at Newbury College. The Essential Skills team welcome volunteers to work in classes, under the guidance of a teacher, or one-to-one with individual students. You will work with adults and young people to help them improve their reading, writing, maths, or spoken English if it is their second language. Classes are held in the daytime or evening. If you are interested or would like further information, please contact 01635 845000.

HEALTH, SOCIAL CARE AND COUNSELLING

FEATURED COURSES

DEMENTIA AWARENESS

Explore the signs and symptoms of dementia and other mental health conditions, considering factors such as communication and listening skills.

ACCESS TO HE: HEALTH CARE PROFESSIONALS

An intensive course covering health studies, psychology, and human biology, delivered alongside study techniques and academic writing units.

The aim of this course is not just to instil some understanding of the sector but also to introduce students to the world of academia.

ARE YOU LOOKING FOR A NEW CHALLENGE THAT CAN HELP CHANGE SOMEONE'S LIFE?

We are looking for caring and enthusiastic individuals to join our growing Foundation Learning team.

Foundation Learning programmes support students with learning difficulties and/or disabilities by providing valuable life skills and vocational training. Our staff provide an excellent level of care and support for our students within a purpose built centre. We are looking for caring and enthusiastic individuals to join this team.

Our Foundation Learning Department is a growing provision and we are extremely proud of the work the dedicated and hard-working team do to make a difference to the lives of students.

If you enjoy helping others and are looking for a rewarding career, please contact our HR team on 01635 845000 or email hr@newbury-college.ac.uk

STOP HIRING, START INSPIRING!

Tired of trying to recruit the “right person for the job”? Why not retain and upskill existing staff for roles and responsibilities to help your business succeed.

Employers can also take advantage of the apprenticeship levy by offering existing staff the opportunity to train under the apprenticeship scheme, up to degree and master’s level qualifications.

Newbury College has been delivering bespoke business programmes and training solutions for over 70 years,

working with local employers to understand and analyse the skills and training requirements required to develop their employees to help their business succeed.

Discover how outside factors such as new technologies, consumer trends, environmental issues or globalisation, can affect a business with training programmes such as: Leadership and Management, Change Management, Legal Compliance and Sales.

“offer existing staff the opportunity to train”

As West Berkshire’s first choice technical and professional college, Newbury College also offers nationally recognised qualifications and professional courses for people who are interested in progressing their career or looking to run their own business. Subjects range from vocational and professional qualifications are available in many occupational sectors.

To discover the opportunities you and your business could have, contact our business team on 01635 845229 or email business@newbury-college.ac.uk

MODERN LANGUAGES

“I go to Spain quite a lot and always felt that I would like to know the language. It is a beautiful language and because of my courses at Newbury College I feel happy conversing in Spanish when I’m on holiday.

My tutor makes learning fun and is always introducing different learning materials to keep study fresh and interesting. My fellow students and I have lots of laughs in class and it is a social event as well.”

Trudy Izzo

Spanish Advanced Conversation

PROTECTIVE SERVICES, FORENSIC SCIENCE, SPORT AND FITNESS

FEATURED COURSES

FITNESS INSTRUCTING

Plan, deliver and evaluate safe and effective fitness instruction sessions via the context of gym-based exercise.

LOOKING FOR A VENUE FOR YOUR SPORTS TEAM OR CLUB?

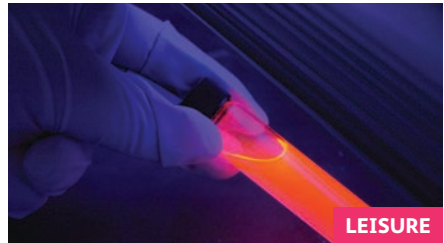

Our Sports Hall is the size of four badminton courts and is available for hire for both sports activities and functions. Popular with local groups such as martial arts, football, cricket, RC car clubs and more, the Sports Hall is available for hire throughout the year, even on evenings and weekends. Contact 01635 845000 for details.

ALL COURSES

PERSONAL TRAINING

An ideal qualification for those in the exercise and fitness sector who wish to complement their existing skills and to gain access to the Register of Exercise Professionals (REPs) at level 3.

FORENSICS

Have you ever watched crime dramas? Do you ever wonder whether the methods shown to solve crimes are true to life? Investigate the basics of forensic science, looking at different evidence types in the context of criminal investigations.

SPACES TO HIRE AT NEWBURY COLLEGE

CLASSROOMS AND MEETING ROOMS

We have over 40 spacious classrooms and fully equipped IT suites, complete with interactive whiteboards along with our Hart room for a formal boardroom style meeting.

SPORTS HALL

Popular with local groups such as martial arts, football, cricket, RC car clubs and more, the Sports Hall is available for hire throughout the year, even on evenings and weekends.

FORUM

The Forum is a unique performance space with a sprung floor and mirrored wall that make it ideal for our popular dance courses. The area also opens out into an amphitheatre, ideal for live performance and shows. For conferences, exhibitions or training seminars, the space can be transformed with seating for up to 120 people.

THE RESTAURANT

Our restaurant is open to the public for lunches on Wednesdays and Fridays email: restaurantbookings@newbury-college.ac.uk
The space can also be hired or booked for functions and events.

Features include: Wi-Fi, free parking, catering services*, excellent transport links, fully accessible site, printing facilities*, interactive whiteboards and more.

To make a booking or view the spaces please email: roomhire@newbury-college.ac.uk or contact Room Hire on 01635 845000

*additional charges apply

FEES

ELIGIBILITY

Fees, payment information and course fees in this guide apply to applicants aged 19 or over who are:

- UK residents who have lived here continuously for at least the last three years.
- Refugees or asylum seekers with exceptional leave to remain in the UK.
- Persons taking part in a reciprocal exchange.
- Nationals from an EU/EEA member state, including Switzerland and EU overseas territories.

Fees for EU and EEA nationals may be subject to change. For further details see: gov.uk/euexit

Fees for applicants under the age of 19 on 31/08/2019 may vary and are subject to different funding rules.

For other information please contact Information Services on 01635 845000 or email info@newbury-college.ac.uk

INTERNATIONAL STUDENTS

Newbury College welcomes students from outside the EU. Fees for international students will differ from the fees stated in this guide. Please contact the Information Services team for more information. All fees for international students must be paid in full on enrolment.

EXAM/REGISTRATION FEES

Some awarding bodies charge a registration and/or exam fee that is non-refundable. The registration and exam fees are in addition to the costs published in this guide.

PROFESSIONAL MEMBERSHIPS

Professional courses can lead to accredited qualifications that can help people succeed in their chosen careers. At Newbury College, the courses range from Level 1 to advanced degree-level programmes. Some professional courses require membership of an institute or awarding body, which require additional fees to be paid. Students enrolling on courses where professional membership fees apply, will be notified on application.

OTHER FEES

Students are asked to pay a student association fee of £15 at enrolment, which is used to fund additional activities and resources for all students. This fee does not apply to courses of 10 weeks or less, however, a £5 administration charge will apply to students on short courses who require or request a Newbury College Student ID. The student association fee does not include membership to the gym.

For more information on course fees, please contact the Information Services team on 01635 845000.

HOW TO PAY

PAYING BY CARD, CHEQUE OR CASH

Newbury College accepts payment by credit or debit card, cash or cheque (made payable to 'Newbury College'). As soon as payment is received/cleared, a place on the course is confirmed. Please note that for cash payments, a receipt will be issued but a place on the course is not guaranteed until the enrolment is fully processed on the database. Confirmation of the place will follow as soon as possible, if a course fails to meet the minimum enrolment number a refund or alternative course will be offered.

PAYMENT BY INSTALMENTS

For course fees over £500, applications to pay by instalments will be considered. Students will be required to sign an agreement to pay four equal instalments over the first term. The initial payment will be taken at enrolment, with each payment thereafter on 1st Oct, Nov and Dec. An administration fee of £25 will be applied to the first payment. Please email info@newbury-college.ac.uk to request an instalment application form.

Note: If instalments are missed the student will not be entered for any exams or able to claim the qualification. This may also incur further exam costs. Paying by instalments is not available to international students.

PAYMENT BY EMPLOYERS

Newbury College can directly invoice employers if they have agreed to pay your course fees. Please email info@newbury-college.ac.uk to request an employer payment form.

REFUNDS

Students who withdraw from courses after the start date, will be liable for the full course fees. If there are exceptional circumstances, a request can be made in writing to the Vice Principal and a partial refund may be granted. In the event that the College closes a course, a full refund will be given. Please refer to the Policy for the Refund of Fees on our website.

FUNDING

Some students may be eligible for government funding which may reduce the cost of their chosen course.

Depending on age and previous training, some courses are completely free (shown as 'No fee') and some require a tuition fee to be paid.

There are Advanced Learner Loans and HE Loans available to help cover the cost of some courses, but please note that Advance Learner Loans may not fully cover the cost of a course.

Please consult the table opposite to see what funding may be available.

Please use your age at 31/08/2019 when reading the table.

For HE courses, please be aware that UK and EU students aiming for a qualification at a level that is equivalent to, or lower, than one they already hold will not be funded by HEFCE and a full-cost tuition fee will be charged (i.e. a higher fee than shown in this course guide).

For more information or questions about course fees, please contact the Information Services team on 01635 845000 or email: info@newbury-college.ac.uk

	Unemployed, on benefits and seeking employment*	Aged 16-18	Aged 19-23	Aged 24+
Maths and English (not achieved 9/A* - 4/C at GCSE)	No fee			
Entry / Level 1	No fee	N/A (See full-time guide for courses)	No fee (prior attainment below Level 2)	Tuition fee (co-funded)
Level 2	No fee – first full Level 2** OR Tuition fee (co-funded)		No fee – first full Level 2** OR Tuition fee (co-funded)	Tuition fee (co-funded)
Level 3***	Advanced Learner Loan		No fee – first full Level 3** OR Advanced Learner Loan	Advanced Learner Loan
Level 4 and above***	Advanced Learner Loan	HE Loan (18+)	Advanced Learner Loan OR HE Loan	

* Subject to meeting the unemployment criteria and providing appropriate evidence.

** Not all Level 2 and 3 courses are available for the 'No Fee' waiver. Please check with the Information Services team for clarification.

*** If an Advance Learner Loan is not available for the qualification, a full-cost fee will apply.

FINANCIAL HELP

STAND-ALONE UNITS

Students aged 16–18 wanting to study stand-alone units may be entitled to fee remission (No fee). For those 19 and over there will be a fee.

MATHS AND ENGLISH

These courses are free for students of all ages (No fee) who have not achieved 9/A* - 4/C at GCSE.

ENTRY/LEVEL 1 ENTITLEMENT

Students aged 19–23 needing to do an Entry or Level 1 qualification in order to progress to Level 2 in any subject, may be entitled to full fee remission (No fee). Partial fee remission may be available for those with a full Level 2 qualification or for those aged 24+.

LEVEL 2 ENTITLEMENT

Fully-funded Level 2; the equivalent of five GCSEs.

Students aged 19–23 wanting to study for a first full Level 2 qualification may be entitled to full fee remission (No fee). Partial fee remission may be available for those who with a full Level 2 qualification or aged 24 and over.

LEVEL 3 ENTITLEMENT

Fully-funded Level 3; the equivalent of three A Levels.

Students aged 19–23 wanting to study for a first full Level 3 qualification, entitlement may be available to cover the cost of some of the fees. Those aged 19 and over may have to pay full fees but an Advanced Learner Loan may be available.

LEVEL 4 AND ABOVE

Fees are payable for qualifications Level 4 and above, but Advanced Learner Loans or HE Loans are available.

ADVANCED LEARNER LOANS AND HE LOANS

Advanced Learner Loans for further education are available for students aged 19 and over studying at Level 3 or above. Applicants aged 19 and over who have been offered a place are able to start their course whilst their loan application is being processed. This also applies to applicants for HE loans. Please note Advanced Learners Loans may not fully cover the cost of tuition. To find out how to apply for a loan, please contact the Information Services team on 01635 845000.

STUDENT FINANCE

gov.uk/student-finance

WEST BERKSHIRE COUNCIL CONCESSIONS

Newbury College part-time Community Learning courses, which do not lead to a formal qualification, may be subsidised by West Berkshire Council. Such courses are indicated by a  symbol in this course guide.

Residents in the West Berkshire Council area receiving one of the following benefits can claim a 50 % discount on tuition fees. (Evidence required)

- Universal credit
- Income-based ESA
- Jobseekers allowance
- Income support
- Housing benefit
- Pension credit guarantee
- Council tax benefit
- Disability Living Allowance (DLA)/ Personal Independence Payment (PIP)
- Registered carer of an adult claiming DLA/PIP

A discount of 30 % off of tuition fees is available to students aged 60 and over who are resident in the West Berkshire Council area.

Note: as this discount is awarded by West Berkshire Council on an annual basis, course information and fee discounts may be subject to change. Discounts do not apply to materials charges.

10% EARLY BIRD DISCOUNT

Enrol before 31 July 2019 on certain Personal Development and Leisure courses to receive a 10 % discount on the tuition fee.

This discount is only available for Personal Development and Leisure courses over 4 weeks in length and may not be used in conjunction with any other concession or offer.

HELP WITH COSTS FOR PROFESSIONAL COURSES (BURSARY)

There may be financial help available for those that don't qualify for fee discounts but cannot afford the cost of a course. There are a number of schemes available, including:

- Newbury College bursary – for help with the cost of childcare, travel, books, registration and exam fees.
- Professional and career development loans
- Advanced Learner Loans

To find out about the different options for financial assistance, book an appointment or call the Information Services Team on 01635 845000 for a confidential chat.

EMPLOYER-RELATED WORKPLACE LEARNING

Fees for employer responsive courses are payable by the employer.

FIND US

FROM THE M4 JUNCTION 13

Take the A34 south towards Newbury. After approximately half a mile turn onto the A339 for Newbury town centre. At the 1st roundabout (Vodafone), take the 2nd exit (straight across). At the next roundabout (major junction) take the 3rd exit signposted Winchester and Southampton. At the next roundabout (Sainsbury's) take the 2nd exit (straight across). At the next roundabout (Burger King) take the 2nd exit (straight across). Follow the road uphill for half a mile to the next roundabout and take the 3rd exit. Turn left at the mini roundabout into the Newbury College campus past the Two Watermills.

FROM THE A34/A339 (SOUTHAMPTON, WINCHESTER, BASINGSTOKE)

Take the A34 Tothill junction exit and turn right at the 1st roundabout and cross the dual carriageway. At the next roundabout take the 1st exit signposted Newbury/Basingstoke. At the next roundabout take the 1st exit to Newbury (A339). Follow the road uphill for half a mile to the next roundabout and take the 1st exit. Turn left at the mini roundabout into the Newbury College campus past the Two Watermills.

FROM EAST OR WEST

Follow the A4 to the Newbury Robin Hood roundabout. Follow signs for the A339 towards Winchester and Southampton. Keep following the A339 until a roundabout (Sainsbury's) and take the 2nd exit (straight across). At the next roundabout (Burger King) take the 2nd exit (straight across). Follow the road uphill for half a mile to the next roundabout and take the 3rd exit. Turn left at the mini roundabout into the Newbury College campus past the Two Watermills.

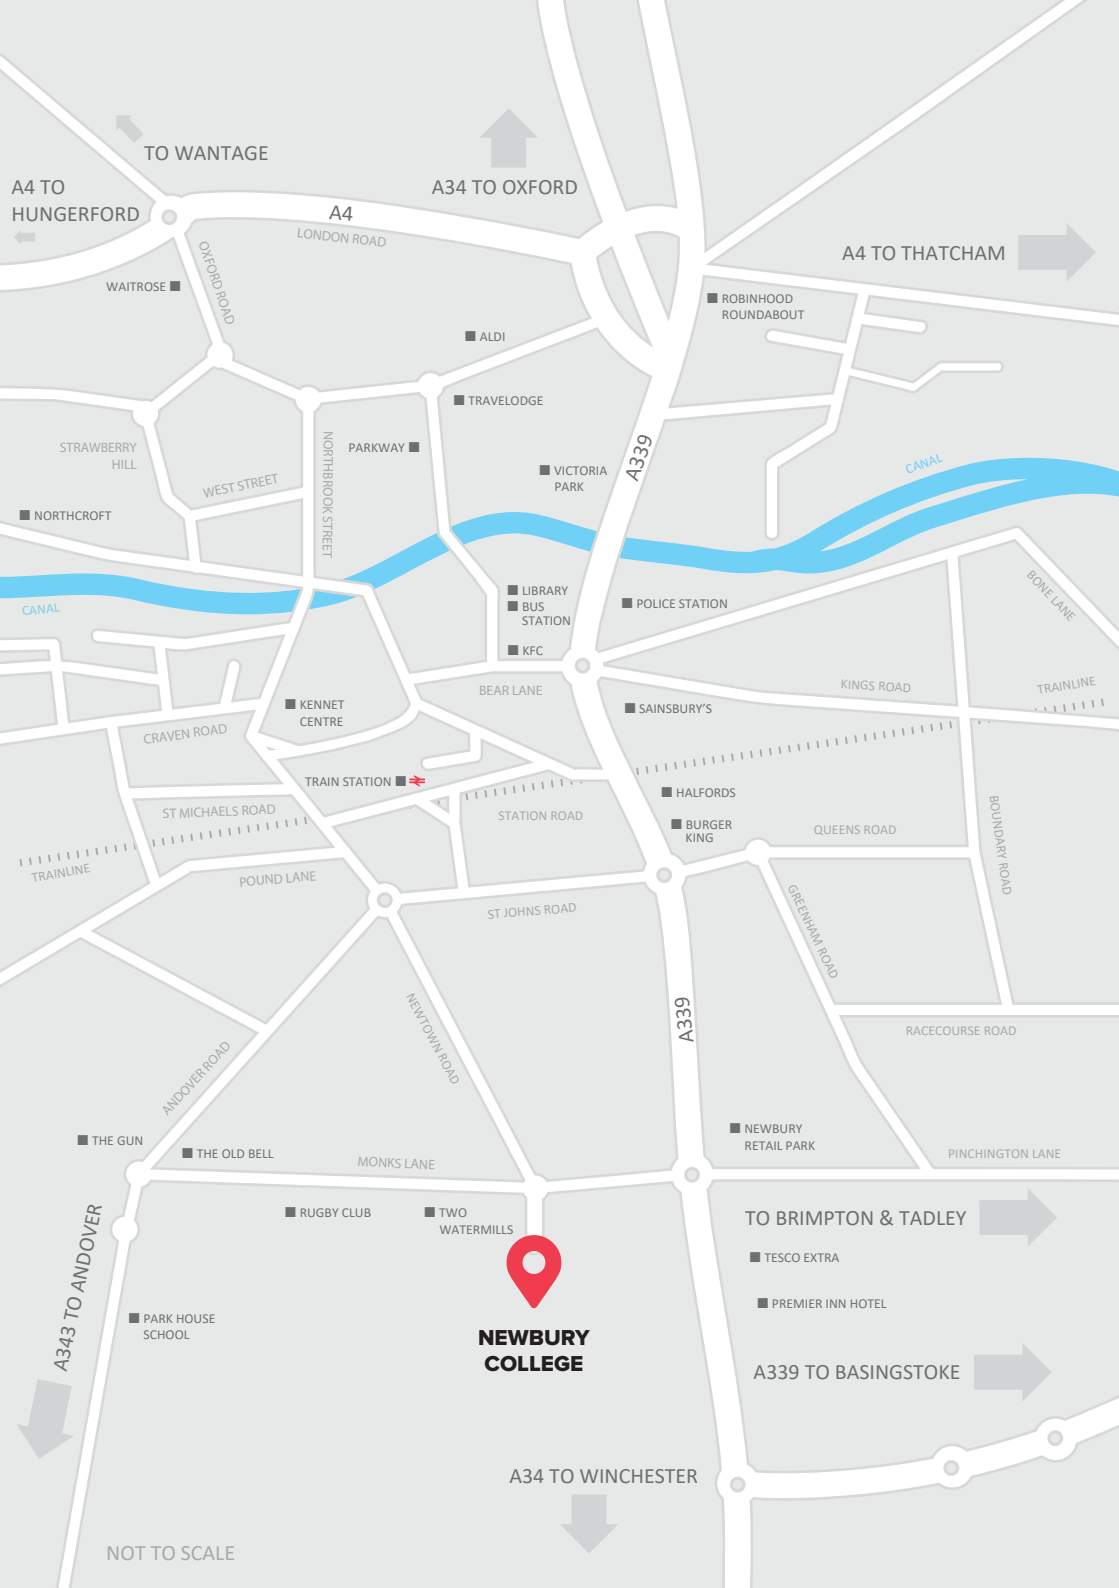

BUS SERVICE

A free shuttle bus service operates between Thatcham and Newbury, which runs once in the morning and evening. There is also a free bus between the College and Newbury train station at certain times. For more information, visit: www.newbury-college.ac.uk/info/getting-to-newburycollege

BY RAIL

Trains to Newbury are operated by First Great Western and provide services from London Paddington, Reading, Thatcham, Hungerford and Bedwyn. Newbury Bus Station is a short walk from the Train Station and offers connecting buses on the 103 route.
