## Welcome to the Intuition Salons at Newbury College.

Our students are building their confidence and expertise through a range of professional hairdressing and beauty qualifications.

As the Intuition Salons are a training environment the tutors and students appreciate your understanding and patience, as some treatments or services may take longer than expected. Please be prepared for this.

To fully comply with insurance and Health and Safety laws we insist that all clients must have a valid skin patch test for each relevant treatment.

Skin tests are required 48 hours before hair colouring services and lash or brow tinting.

Please note that children under the age of 14 years are not permitted in the salons and clients under the age of 16 must be accompanied by an adult.

Minimum ages for specific treatments are as follows:

Age 14 – Hair cutting, manicure, and pedicure

Age 16 – Hair colouring, facials, waxing and lash/brow tinting

We understand that occasionally cancelling an appointment is unavoidable however we would appreciate 24 hours notice.

Please be aware that due to student assessments some treatments and services are unavailable at certain times of the year.

Any courses of treatments purchased must be used within the academic year.
